Wm Dawson

My dear Jim, I omitted in  
my note the other day to tell  
you what arrangements had  
been made for advertising the  
Spring meeting. Those of us  
who were present at the meeting  
agreed to notify the ministers of  
all the denominations represented  
in the Association so as to have  
information made in the pulpits  
next Lord's day. But there  
is a difficulty about the Ang.  
Church ministers. Could you  
conveniently notify them? I  
mentioned the matter to Wm

Johnston whom I happened to meet  
yesterday & he seemed to think  
the best way of reaching them  
was through you. Perhaps  
however you may think a notice  
in the Saturday paper wd be  
enough. I was down to you  
this afternoon, and told John  
Doyall of the arrangements,  
& he promised to insert a  
notice & call attention to it.  
I suggested Saturday as the  
best day to put it in.  
I shall mention the  
matter to Dr. Bond, as I have  
to see him on another matter,  
but I feel as if it would be  
somewhat officious like in  
me to send word to any of the  
clergy in any formal way.  
In haste, Yours very truly  
J. M. Gibson
