

Thursday P. M.

My Dear Sir

There is a Thos.
McCab, whom I will try to find;
~~He~~ is competent to execute your
commission and ~~is~~ brought to be
glad to do so.

I will also ask Macoun
in course of a day or so and
send you his reply.

I've had poor success
myself in my attempts to get similar
commissions executed having person-
ally gathered and packed three-
fourths of all my remittances to
New.

Very truly Yours

David A. P. Wall
