

Boston March 9. 1872

Sir,

An Association of former residents of Nova-Scotia, for the purpose of social intercourse, the formation of a reading-room, & a library of works by Nova-Scotian Authors, & of those pertaining to the Province, has just been formed in this city; and as a sub-committee on correspondence we were directed to place ourselves in communication with distinguished Nova-Scotians everywhere asking their good will.

Contributions of Portraits of distinguished Nova-Scotians, Maps, Books, & Newspapers will be highly appreciated, the donor's name attached, and a grateful acknowledgement made.

Knowing the love & affection you have for our fine old Province, we desire to obtain your countenance of our undertaking, if it should only be in form of a reply.

Yours with great respect

Yours very humble servants
