

Montreal 19 Apl. 92

My dear Sir,

I think it very important that the property on the East side of the River should be taken up. Mr Ross spoke of doing so - but wished to see you first. His illness has prevented him doing so - I will call upon you tomorrow after seeing Ross this evening - when it may be well to telegraph Mr Pomeroy to act promptly.

No doubt great attention is being directed to iron deposits in Nova Scotia & it will be well to secure rights where there is any prospect of finding ore.
Yours truly
Principal Dawson New Brunswick
