MONTREAL.

Montreal, 6 May 1872

Dear Dr. Dawson

I have asked Mr. Byrd  
to join me & he may require  
geological information. You  
will please send him at  
my request an early copy  
of the notes & maps, saying  
no one else  
has one.  
Yours truly  
Dr. W. A. Rennie  
I must expect the proposition.
