

Toronto. June 29.
1872

My dear Sir,

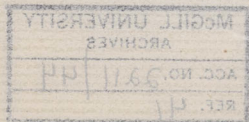

I gratefully accept
the honor conferred on me by
the Executive Committee of the
Ladies Educational Association.

I very much regret that
I cannot comply with the
request with which the Ladies
have further honored me; but
my engagements are such as
to place it entirely out of my
power.

I wish that the Editor of
the Can. Monthly knew that
you are ready for the proof

Very truly yours
John Smith.
