

Dublin. Oct. 1/72.

Dear Dr. Dawson:

Mr. Prentiss writes me that should he not find all ripe in Glasgow for his Victoria scheme, he will try the north of England:— and he writes me to ask you for your opinion of the iron deposits & trans. with it & my cousin Mr David Dale of Darlington. Durham — My cousin is a member of the Peace firm, and a very influential iron master — If he likes the project, I have no doubt he could further Mr. Prentiss' plans:— and if you entertain a favourable opinion of the speculation and too much is not asked, I would be happy to urge upon him an earnest consideration of the matter —

Yours truly
J. Douglas
