Dear Sir

On behalf of the Y.M.C.
Association of this town I write to
solicit your services for a lecture
on some subject connected with
the Natural Sciences, in a course
we are arranging for the
coming season. We had a
highly successful course last
year. I enclose programme.

If you gratify our most earnest
wishes by complying with our
request, please write stating the
subject of your lecture, terms, time
etc -

Yours Most Respectfully

(address Dr) F. L. Howland
