

Glenbrook 18<sup>th</sup> Oct: 1872

My Dear Dr Dumas

Do you approve

the distribution of the

M. L. map. \$2000 the file  
\$1000 marine & lacustrine  
each. \$1000 not depend

of - areas which may be  
recorded from some foot

to be divided in same

proportions - The Books

of Quebec inform me  
that

that Mr Forme concurred  
I has sent me the  
newward on design -  
I am very sorry that I  
was not aware that the  
question would come up  
or I should have gone  
to Quebec - In haste

Yours truly

W. D. Bay

Please telegraph your  
answer C. D. D

Day  
2/11/72
