

Toronto. Tuesday.

My dear Sir,

I leave Toronto
by the night train tomorrow
and hope to be with you by
the middle of the day
on Thursday.

I find that my
friends Mr. & Mrs. Stephen
will be at Montreal during
next month. I had supposed

that they would shortly be
leaving for England. If you
will permit me, I propose to
divide my time between
you and them, remaining with
you till Saturday the 12th Oct
then going to W. Stephen's.

Very truly yours

John Smith.
