My dear Principal Dawson,

Our proposed conference  
is, not next week, but the one  
after. We have, I think, fixed  
the 20<sup>th</sup> (Wednesday), for it at  
3 o' & I have secured the Natural  
History Room for that day.

Dr Bond could not come on the  
Tuesday. I hope the day and  
hour will be suitable for you,  
as on would like exceedingly to  
have the benefit of your presence  
and views. I would have been  
sorry that anything, with which  
I am connected, should have clashed  
with so interesting an occasion as  
that of Tuesday first in McGill.

University.

Believe me  
Yours very sincerely,  
Samuel Lang
