My dear Dr. Dawson

I rec<sup>d</sup>. your note on Saturday  
afternoon. I am sorry that I did not  
know before I wrote Mr. Mathew that  
your son George would like the  
St. Bar<sup>re</sup> Com<sup>rs</sup> appointment. In some  
respects I think he is better fitted for  
it than Mathew. If Mathew declines  
it your sons Candidature will relieve  
me of a difficulty in connection with  
the members of the Geological staff.  
And in any case as the actual offer

and Confirmation of the appointment  
does not rest with me, I think it would  
be only right in making the recommendation  
to the Sec. of State that I should mention  
your son's name with that of Mr  
Mathew, and state my opinion that  
he is equally well fitted for the appointment.

Very sincerely Yours

John A. Schuyler
