Professor Dawson

Montreal

Dear Sir,

I send you by mail as desired the small book ordered by your letter of the 12th inst.

I am very pleased to hear from you; but regret you do not forward a large order. You should secure the books you want, — as I have no objection to give credit either to yourself or the College; & perhaps if you delay, when your orders come the books will be gone & you will be disappointed.

If however you really would not consider yourself justified in acting thus — you should at least secure a copy of the re-issue (if you have not the original edition) of

Lindley & Hutton's Fossil Flora of Great Britain, 3 vols. 8vo. — price £5

Enclosed is a prospectus of the work, with
full particulars. If you have the original edition
you will want, the Supplement, which is in
preparation.

Remain Dear Sir,

Your obedient servant

J. Bernard Quaritch
