Dear Dr. Dumas

I have a note from
Messrs. McDonald & High to
say they have never recd.
the deeds for Messrs. Primrose,
You will remember that it
was arranged at Pictou
that they would be sent to
Halifax so that W. Potter's
lawyers might prepare the
deed of transfer for us,
& in order to have all
things done in accord, W.
MacKinnley drafted the
letter which I sent to
Messrs. McDonald & High.

It will be necessary to ~~it~~
return the books immediately.

Yours faithfully
Dr. Brewster

Dr. Dawson M.S.

I have been at Stone
since Wednesday & have
just returned.
