

Pictou 22<sup>nd</sup> July 1873

A. N. S. Belwyn Esq  
Geological Survey, Montreal  
Dear Sir.

At request of Mr Robb we  
will send you by steamer Georgia (to leave here on  
Friday first for Montreal) a cask of specimens  
of Iron Ores from this County. vizt:

- No. 1. Red Hematite. from East River Pictou from  
Websters - sold to Prentice
- No. 2. Limonite. from East River Pictou from  
Fraser Saddlers. sold to Prentice
- No. 3. Specular. from East River Pictou from  
McDonald Weavers. sold to Prentice
- No. 4. Red Hematite from East River Pictou from  
Mudson's Area.
- No. 5. Red Hematite from East River Pictou from  
Blanchard vein. sold to Prentice
- No. 6. Specular. from East River Pictou. unsold  
Magnetic. in our hands for sale.
- No. 7. Red Hematite from Wentworth Grant. Pictou  
a very large deposit. free from Govern-  
ment control & all other encumbrances.  
in our hands for sale.

Dr. Dawson is well acquainted with all these ores and their localities and will be able to give you any information you may desire respecting them.

We regret we have not a specimen of the Spathic ore at Menzies in this County to send you at present.

Yours truly

Pennington Brothers
