

To Governor Crescent  
Edinburgh Sep. 1. 1873

My dear Sir,

If you are, as usual,  
taking your holidays in  
Nova Scotia, I would like  
to know for my self & friends,  
what your charge would be  
for giving us a Report  
upon the Mining rights  
possessed by Mr

J. W. Carmichael of  
New Glasgow & others,  
upon the East River?

We have been expecting  
a good deal lately,

and some of our  
Explorations have been  
rather satisfactory.

If your Report would  
not be an expensive affair,  
I would like to have it.

but having colleagues to  
consult I should like  
to have your terms.

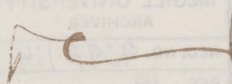

and would then communicate  
with Mr Carmichael, who  
I think you already  
know, and upon whom  
you might call, if

out that way.

I saw Mr Purton  
cutly in London, and was  
glad to learn your  
Minerals had at last  
been satisfactorily  
arranged for.

My dear Sir,  
Yours truly  
Thos. Dickson

Professor Dawson
