Gentlemen

favours 6 Oct.

I am in rec^t. of your

Have the goodness to pay
for me £25 the sum necessary to extend
the "licences to work" on the Limonite
Area. I was not aware I had that
privilege until you informed me
as I am still without a copy of the
renewing Act which I trust
you have ere this posted to my
address. Under the circumstances
I shall not at the present time
proceed with work on this Area
and I shall continue to rely on
your good offices to watch and
protect my interests during my
absence which I am endeavoring
to make as short as possible

Yours faithfully
