Dear Dr. Dabson

I notice a
clause in Mr. Peattie's
letter that I think
I forgot to reach to
you yesterday.

"Dr. Dabson should
also point out the
advantage, if any, we
enjoy in our second
right, on this area,
the Simonsite." I have
copied exactly from

Mr. Prentice's letter
we have no doubt
you will understand.

Sincerely yours
Geretta Prentice
