

Mr  
London 15 Oct. 1873

My Dear Sir

I have yours of 30<sup>th</sup>  
Oct. with printed documents  
which I have not yet had  
time to look over, but the  
most important item in your  
letter is one that fills me  
with consternation. "The  
"Map," you state, is a little  
"behind date, representing  
" areas in many places  
" and Hudsons Area as if  
" it was yours."

This will of course give Mr.  
Potter a real reason for  
breaking his engagement  
with me. The Map is

Yours, all my statements  
are based on yours. I  
have relied implicitly  
on you; - & if this map  
or plan which I supposed  
represented our property  
was known to be incorrect,  
why was I allowed to base  
on it my representations here  
& on which I sold the  
property? And why do  
you not send me a corrected  
one, so that I may if  
possible tide over this other  
difficulty, altho I fear it  
is hopeless.

Yours truly  
Wm. A. Brewster
