Dear Sir

Your Mortgage to me for
Forty Thousand Dollars and Interest on
Mining Areas in this County falls due
21st May 1874 and I deem it due to you
to give you this notice that the time
for payment thereof will not be exten-
ded beyond that date. Were the
Mortgage upon fixed property punc-
tuality would be of less consequence,
but, as you are aware, the property
consists of crown rights which re-
quire immediate attention to pre-
vent them from expiring by lapse
of time.

Yours Truly

James Kimball
