Dec. 17th

Dear Sir

Mr. Peattie writes me, that you have written to him, "that it is necessary to send a report to the Commissioners of Mines, also a statement of the expenditure at Victoria." He desires

me to ask you
to do this, as he
has not the figures
with him, but
also to say to you,
that unless absolutely
necessary, he would
rather not publish
the amount of expen-
diture for various
classes —

May be rely upon
you to do whatever
is necessary —

Sincerely Yours
Gerrit P. Smith

Mr. P.
Dear Sir

And that could not
do this but having
immediate need that
is why write

Mr. P. Also we
would that sent
from news of
yours & hope
to see you
W.D.
