old Hague Edg.
47 Lafayette Place.
New York.

532.

Washington, Dec. 29. 1873.

My dear Dr. Dawson.

It will give us very great
pleasure to obtain as follows a series of reports of
Hayden's expeditions, including Ledges, Marine-
mials etc., as can be secured, & I will have
a package made up & forwarded at the earliest
possible moment.

Thanks for your note about the
Hudson's Bay Company. I have already
written to Donald Smith.

Very truly yours.
