

THE EXCHANGE,
BRADFORD.

13th - March 1871

Dear Sir

I am greatly obliged for your
reply to my enquiries and for the
pieces of Loom enclosed therewith.
Permit me also to tender you my
sincere thanks for your kindness
in making enquiry if the Lapidary
of the Geol Survey can be allowed
to supply me. It will afford me
much gratification if permission
be given, but whether or not I am
equally grateful to myself.

Yours truly

Geo M Landborough
