Dear Sir,

Pictou mining rights

You will remember that the rights to search on areas 104 and 107 expire on the 30<sup>th</sup> instant and 1<sup>st</sup> May respectively. Mr Penhine expected to have been on the spot before this time - but as there is now no chance of his being in time to explore I shall be glad if you will secure the right to work as advised by Dr Dawson and referred to by me in my letter to you of the 19<sup>th</sup> January.

Please draw on me for the expenses as before

I remain Gentlemen

Yours faithfully

Wm. P. Prienrose Esq
