

Pictou 27 May '74

My dear Sir

The transfers of the
Coal areas at Rivier are completed
and in my possession.

We hear the Drill is on
the way here. I do not remember
whether I informed you that John
Logan. Isaac Grant. & F. W. Fraser
(J.D.'s son)
are the owners of it & I think the
cost was about \$5,000 & I suppose
they intend to make some great
discoveries of coal somewhere, by
its use.

We were all glad to
have William with us. He arr.
on Saturday and proceeded by the
steamer to the Strait on Tuesday
for Sydney.

Yours very truly
H. P. Rivier
