My dear Sir

Mr R. Anderson
will consult you today
regarding Picton. He is
largely interested in the
Intercolonial Coal Co.,
& I shall be glad if
you will make it clear
to him ~~into~~ how the
erection of Furnaces,
say two only, - will,
provided the Iron Co
arranges with the I. C. C.
alter most favourably
the present unsatisfactory

Condition of the latter (°)

Mr Anderson is, justly,
a great believer in Mr
Shandy, & if you will
quote ~~the~~ his opinion
(Mr Anderson says he
has no time to read
reports) you will do
us all a service.

Yours truly

Edw Al. Peacock

If you are passing
Crawford's Office you will
see a new fireclay & a few
books for Peacock
