

M. Gill College.

May 26/75-

Gentlemen,

I am informed that Mr Rhodes has visited the Peter Gun Mines and thinks favourably of them, he is I believe to be here soon. My impression is that if he can see

anything toward being
working the reports
the terms should be
made as favorable
to him as possible
and some part of
the capital sum
attached to the
property ^{in your schedule or proposal} should be
abated or placed
in abeyance till
