My dear Mr. [unclear]
~~My dear Mr. [unclear]~~

As Practice
seems likely to give
me trouble about the
Peter Nines I am
the more desirous to
aid in any way
in bringing them into
practical operation,
and by the end
of this month shall
be so far from
allowing work as to

Give attention to anything
that might be of
service

Some time ago
I prepared the draft
of some articles on
the deposits, and
on the prospects
in general, which
I never was in-
formed at the
time were not
needed. They can

be made available
when required, and
I shall be happy in
this or any way to
promote the enterprise
in which I have
the most perfect
confidence of capital
will be secured &
amiable persons,
and competent skill
to manage.

Truly yours
