Dear Sir

We enclose copy of a letter written to Messrs Primrose regarding an Extension of time of the Pictou payment -

Since the letter was written the money complications have rather increased than otherwise, and we are anxious to have you second our request in

order that W. P. Minrose may
give the matter more serious
consideration - If we can
not secure an extension for
the whole amount, perhaps
some portion of it might be
helped over. If you are in our
neighborhood we shall be
glad to see you.

W. C. Dear Sir

Yours truly

W. C. Dear Sir
