28th July 1875

Dear Mr Dawson

I have to acknowledge the receipt of your letter of the 9th inst and I beg to thank you most sincerely for your kind expressions of sympathy in the loss of my dear Brother. He has often spoken of you to me and I well know the high regard and esteem in which he held

you, it is therefore all the
more gratifying that you
should so fully appreciate
his character. It has indeed
been a great consolation to
his friends to find that all
those who knew him best
are so ready to bear witness
to the high worth and talents
of one so much beloved by us
all. —

I am very glad you are
willing to act as Executor,
and that we shall have
the benefit of your advice

when required. -

Upon the subject of Sir William's
incompleted works I must
delay saying anything until
I know the wishes of the rest
of my family, but I feel very
sure that all will agree in
desiring to do every thing that
may most conduce to the honour
of his memory. In the mean
time I return you my warmest
thanks for your most kind
and obliging offer to examine
his papers in conjunction with

Mr Selwyn and to advise
as to what is best to be done
with them. —

My Sister Mrs Ker begs to unite
with me in kind regards and

I remain

Yours very sincerely
Elizabeth Gower
