

Popular Science Monthly,

549 & 551 Broadway.

New York, Nov 23 1875

Prof J. W. Dawson

Dear Sir

I send by this mail a copy of the Dec-
monthly containing your portrait
and sketch. The former we think
a success, but the latter we are
somewhat in doubt about. We
were obliged to shorten it, which
I am afraid has somewhat impaired
its continuity. But it was the best
we could do in the space at command.

We wish to publish your Detroit
address in the Jan. Monthly, or
the first half of it at least, giving the
remainder in the Feb. number. Can
you oblige us with a copy, or
shall we take it from the Am-
naturalist when it appears to

be copyrighted, giving them
due credit?

Hoping for an early reply
I remain

Very truly yours

W. J. Burrows
