

Glora Nov. 29th '45
Dr. Dawson

Dear Sir,

The Museum
Committee desire me to thank
you most heartily for the
promise of specimens to our
collection; if any friend
will call upon you for them.

I have arranged with a
Mr. Norton, connected with
the firm of Claetons & Co -
Mutual to do so. This gen-
tleman is entirely trustworthy
and will see them forwarded
to us carefully -

Very Respectfully
David Boyle.
