

Franklin Square,

New York, Nov. 30th, 1875.

Dear Sir :

We beg leave to
acknowledge the receipt
of your favor of the 23^d
inst. and to say that
we have still your
"Dawn of Life" under
advisement. Our
readers' opinions were

favorable, but we fear
that the demand for
the work will not be
large & can be met by
imputed copies of the
English edition which
Messrs. Scribner & Co. and
other imputing houses
will doubtless have on
hand.

Should we conclude

to publish the book we
will make the correction
indicated.

Very truly
Respectfully yours,
Mayer & Brothers,
