My dear Sir,

According to the plan  
successfully adopted last year,  
the Evangelical Alliance desire  
to secure a first address from some  
well-known person for each of the  
week of Prayer services. We hope to  
have the closing service in St George's  
School Room on Saturday Evening,  
8 January 1876, when it would  
patefy us all very much if you  
would give the opening 10 or 15 minutes  
address on that occasion. I have  
said to Mr Buns that we were looking  
to you for this help.

Believe me,

Yours very sincerely,

Jamie Lang
