Canada Government Building,
King Street, Westminster, S.W.

December 21st 1875

Dear Sir, Dawson
I have the honor to be
informed by one of the sub-agents
of the Dominion Government
ask you on behalf of Dr. Otto Hahn of Reicht-
anwall, Renthingen, Wurttemberg to be good
enough to procure for that gentleman a
geological specimen, the name of which he
gives as "Serpentin Kalk mit Eozoon
Canadense". Dr. Hahn is unable to obtain
this specimen from any of his usual
sources, and wishes you to be applied to

December 21 - 78

as the person who he thinks, would be most
likely to be able to help him.

Very truly yours,
[Faint signature]

Lowell
