My Dear Sir,

I have just arranged
to be in the City on the 7th
June and will feel it an
honour to perform the
service of which you
spoke to me.

I intend to leave for New

Yrk next Friday and
will call before then
to receive any instructions
that may be necessary
regarding the service
on the 7th as I shall
not be home until the
1st or 2nd of June.

Yours very truly,
