Sir William Dawson

Dear Sir,

We wish to build up
our Reports on Education
for the different Provinces
in the Dominion and find
that our file of Nova Scotia
reports is very incomplete.

I have written to the
Superintendent of Education
in Nova Scotia, but he can
only send us their numbers,

Dr. Hodgkin thinks that perhaps
you may be able to spare us
copies of the reports
mentioned on the enclosed
list. We will take it as a
very great favour if you will
do so. We will feel exceedingly
obliged.

Believe me to remain

Yours truly
