Sir W^m Dawson

Dear Sir,

Your several letters to hand with enclosures. I have about \$5.00 left after paying Davis, this I will keep and use in the spring, if I am here, if not I will return it to you. The last box I sent to you, left Mace on on the 18th of Sept, you should have it ere this, please let me know if it came to hand. I was in hopes that you would have been able to find something new in the lot of six boxes first sent, as you have not done so their will be little hopes of this occurring in the last specimen, it having been found between the two points. I hope that they will

prove valuable, even if they
afford nothing new. It may
be that the milepedes will
furnish something not previously
found. If box has not turned
up on receipt of this please let
Mr Know and I will have it
traced

Very truly Yours
