My dear Sir

I am much obliged for the MS. which I have just received and which will appear in the Expositor for January. I hope there will be time to send you a proof. I shall be glad to receive the other articles you mention. I hope to print them month by month until they are finished. It would be a great favour if you could kindly contrive not to make them longer than 14 pages each. I had much rather print an extra article or two of that length than print
