Leaia Leidy's, Lea, Typical form
Carboniferous Pennsylvania

L. Leidy's var Sullerana L. Carboniferous
Sedland, Gues

Do var Williamsoniana Upper
Coal Measures England, Gues

L. Leidy's other species or varieties as produced
Coal Measures, Saxeboh & Halle Germany

L. Neumannata M. & W., may be
a large variety of the above;
La Salle Co Illinois since
part of the Coal Measures
also in Upper part of same C. M.
in Upper Coal Measures
Illinois Report 1868

L. Leidy's, from Nova Scotia in
Acadian Geology 2d Edn P. 256,
I first recognized it in my Explorations
at Carleton & A. Inhabitants in 1846?
pubd in Journals N.S. Legislature 1846
Gues afterward examined my specimens
from La Crosse near Ship W. & other
specimens from Harton. Hartt subsequently
found L. Leidy's at Pausboro in La Crosse
