Sir Wm Dawson K.C.M.G.  
Montreal

My dear Sir I fear that you  
have thought me neglectful  
of my promise to send to you  
the enclosed series of footprints.

The matter had not slipped  
from my mind however

I waited for an opportunity  
to mail it from this side  
of the line, and this is my  
first trip into Canadian  
territory since our correspondence  
upon the subject.

The return of the specimen,  
in case it is not an important  
one for your cabinet, can be  
made by sending it to Mr  
McNaughton at Joggins minus

or addressed true c/o Mr  
A. G. Watson 157. St James  
St. Montreal so that I  
may get it when I go  
again to either place.

Trusting that you have  
returned from your <sup>Summit</sup>  
outing with health & vigor  
renewed, I am

Very sincerely yours

J. P. Torrey.
