My Dear Sir
your favor just at
hand. Please do not re-
-use any of the slides if of
interest to you - as I prefer
that you retain them - I can
easily prepare others - I am
now preparing material for
mounting from several
specimens sent to me by
Prof. Otter of Ohio - some of
which are quite rich - I
will send a few slides when
mounted - I also have a few
slides from German and
Austrian Russian Coal and
one of Microspores - (Hurmanns) from
the White Coal - (Dasminiti) of
Australia - that I will send
for examination - with pleasure -
if you would care to see them
they were mounted by P. Dr.
Heinsch - Yrs Dr B. W. Thomas
