Sir William Dawson
Montreal

My Dear Sir

Your favor just at hand
and with this please find proof
sheet of your valuable paper.

I will hold the paper from the
press as long as possible - but the
printer is very much in a hurry
to finish it and get it out of the way -

I much prefer that you correct
the final proof - as not framing the
manuscript - there are a few things that
I am not certain about - and as you
are to be responsible for the paper - I do
not wish to let it go out unless correct.

Please return as soon as you
can - as the printer is getting very impatient -
Very truly yours

Shomon
Please notice & correct the location of
the foot notes - on the pages -
