Dear Sir William Dawson

I am much obliged  
to you for your letter of  
7<sup>th</sup> inst. enclosing a copy  
of the letter you recently  
addressed to Prof. Stokes  
on the subject of Geological  
Federation. Your letter  
was considered at the

last Council of the Royal  
Society and we took the  
first steps toward the  
proper consideration of the  
whole subject. My health  
I can give will be  
willingly given:

With kind regards

Yours very truly  
Arch. Geikie
