Minute Book to Grace Log 24th

The Secretary reported that he was  
denied by Sir William Darnley to ask the  
Committee to accept his resignation, for the  
reason that he had been unable to attend  
any of the meetings, and that in  
consequence he had been prevented from  
doing anything in furtherance of the work of the  
Committee, and also from expressing the opinions  
which he entertained respecting matters discussed  
by the Congress.
