Sir J. W. Dawson

Dear Sir

Perhaps I did not
make it clear that the
committee to correspond
with the Committee on the
map consists of Prof Hall,
yourself, Dr Hunt, Prof Ledy,
Major Powell & myself, and
that your authorization or
approval of the letter was
asked. All the others have
approved. [See p. 5 of pamphlet
last paragraph.]

I shall write the fair copy
at once and send it to the
individual members for
their signatures.

Do you have two copies of the
pamphlet over?

Very sincerely

Persifor Frazer

Your most expressive and authoritative to me.
