PHILADELPHIA.

Office, 201 South 5th St. June 7th 1886.

Sir J. W. Dawson, Montreal Canada.

Dear Sir

It will give me pleasure to carry out your instructions in regard to the presentation of your resignation. I am sorry that "the whole affair", as represented in the pamphlet, seems to you "little more than the action of a quantity of Geological Cranks" but I think I am risking nothing in assuring you that they as well as the results of their labors will miss your cooperation.

Enclosed you will find the receipt.

I have the honor to be
