My dear Dr Dawson,

I need hardly say we
rejoice with you all on the
auspicious event of the leaving
of your dear family - we could
not do less. We trust - for I
write not in my own name ^{only} but in
that of the family - that she & her
partner in life will have much
happiness, and for many years.

I enclose a letter for the Dawson
from Chiswick, and address it to

you in case Mrs Quetton & the
other members of the family may
have left for the Sea Coast.

I enclose also a Draft for
Eight Pounds being the joint
contribution of Christiana, Jane
Maria, & myself, for a present to
Anna. She must just apply
if she please, in getting some
thing for her house. We
could not devise any suitable
thing to send her that the risk
of its being a duplicate of
something she has already &
the money she can apply to

her own library -

I am glad to say that in
God's good providence we are
all well at present in all
the branches of the family -

With kindest regards to
Anna & her husband and
Mary Ann all I remain

My dear Doctor Dawkins
& pray my sincerest
Believe me
Peter Bell
