Dear Dear
June 1/76

Monte, June 23rd 1876.

My Dear Sir,

I see by a "Witness"
sent me that I am no longer
a School Commissioner.

I am glad to be relieved
of the work, but if the ac-
-count given is correct, I
am by no means satisfied
with

the vision of my ap-
-pointment being set aside.
I shall not be home till
September and cannot
do any thing in the matter,
but if the Board is in-
-clined to test it I am
prepared to serve as
host to fire.

Things are coming to a
sad pass if Rowan

Catholics are to select for
Protestants the persons who
are to be entrusted with the
management of their
Education. It would seem
unwise to give the clergy
the absolute control of
their own people.

Not knowing what our
Board may have done
or the facts in the case
or to whom to address a

Remonstrance I can do nothing
in the mean time.

The Assembly is still sitting -

We lost our territory, as I ex-
pected - We could have carried
it by a majority of over 100
had it been brought forward
in a full house last week.

The Macdonnell case consumed
five days - The friends of
Queen's Col. & the Pres^{ts} of Am^{ts}
conspired against us.

My address for a week or more
will be Care D. Guthrie, Guelph.

Yours respectfully,

D. American

Brui. Dawson
Wentworth.
