Dear Mr. Garrison

There been two
days absent for yr letter would have come
straight from. and I had just parted
with Sirell when I got it. I leave to
night for Buffalo. she follows to New
York. or will confer with him here
and show him letter writing from
Nevada. He has been delayed in his
journey & will probably be able
to defer a little his visit to New
York & suit your convenience.
but this you will be advised.

I am in great haste & should
like to tell you of many things but
I must pack up and leave very
soon and have been all day busy.
I am sorry you cannot be with us
husband. for I should very good
meeting at Buffalo and you
will be much missed —

In regard to the nomination of your
son to the place of Paleontologist to
the Geological Survey. I should have
been very glad to oblige you & have
him but some weeks since gave
~~him~~ a recommendation to Mr
Whiteaves, which has already I
see been printed with Messrs. The
great danger is that Dr. Cress
a worthless quack, will get the
post.

Excuse my haste and believe
me with best wishes

Very faithfully Yours

J. Steyermark
